

Declaration of Interest

Relating to the Partnership for Vocational Education

Nigerian business membership organizations and the Chamber of Commerce and Industry Giessen-Friedberg in Germany are having a partnership on vocational education. A project on dual vocational education financed by BMZ - the German Ministry of Economic Cooperation and Development- is presently executed via sequa gGmbH by the above named organizations.

As a member company of one of the main project partners in Nigeria we hereby declare our interest in participating in the project of vocational education and training. We are prepared to play an active role in the project by training participants according to the curricula developed within the project with an approach of dual education adapted to Nigeria's need/industry. We are aware of the fact that a participation in the project binds resources for the period of execution and are willing to invest in a better performance of our staff.
